OUR MISSION

To promote health equity for vulnerable community members, engage with partners from diverse sectors, and limit the negative impacts of social determinants of health. We use an upstream approach that strives to decrease rates of HIV, STIs, and unintended pregnancy in our community.

OBJECTIVES

Our objective is to raise funds to ensure our ongoing and sustainable commitment to providing sexual healthcare for all. With recent cutbacks on harm reduction and reproductive health services, our funding is in jeopardy. STIs, HIV, and reproductive care is increasing in this province. Your support will help us address the needs of those currently undeserved in our community, and assist us to continue our vital services.

SOLUTIONS

- Financial Donations: Provide critical funding for our programs and services. Donation tiers are \$500, \$1000, and \$3000, and include a charitable tax receipt!
- In-Kind Contributions: Offer goods or services that can aid our operations
- Sponsorship: Sponsor specific programs or events to enhance visibility and impact. Our three tiers are \$5000, \$10000, and \$20000. Each tier has different benefits - ask us for details!

SPONSORSHIP BENEFITS

Free Advertising for Your Organization

Your organization and donation impact will be advertised across multiple platforms, including our website, social media, and newsletters.

Address Multiple Client Bases

Our inclusivity spans ages 13 to 95, ensuring everyone receives the care they need. We also prioritize newcomers and individuals facing barriers to accessing sexual healthcare, striving to make our services accessible to all.

Provide Inclusive Sexual Healthcare

Your support will help individuals experiencing barriers, including 2SLGBTQ+ individuals, youth, seniors, and other vulnerable community members who experience barriers to accessing sexual health services.

We aim to enhance the health and well-being of our diverse community. Together, we can create a healthier, more informed, and more inclusive community. Join us in making a tangible difference in the lives of many.

WHAT WE DO

We provide comprehensive, inclusive, and accessible sexual health services to everyone, regardless of age, background, or circumstance. We are a non-profit organization that provides sexual health and reproductive health services in Saskatoon and area with an emphasis on safe, inclusive, and empowering clinical care and education. Since the 1970s, we have provided no-barrier sexual health clinical services including cervical cancer screenings, HIV, Hep C, and STI testing and treatment, as well as pregnancy options counselling. All services are transgender and 2SLGBTQIA+ inclusive.

CHALLENGES

In today's challenging healthcare landscape, where family doctors are becoming increasingly scarce and many healthcare providers are reluctant to conduct cervical cancer screenings, STI testing, and pregnancy options counselling in their clinics, SSH stands as a vital resource. We offer these essential services and more to those who experience barriers in accessing healthcare. Your support is crucial in helping us continue to bridge this gap, ensuring that everyone in our community has access to the comprehensive sexual health care they need and deserve.

DONATE HERE

Your donations are greatly appreciated! SSH is fortunate to receive so much support and appreciation from our community!

Tax-refundable donations are available on our Canada Helps. We can also accept cheques.
